## NEWSLETTER - 6 July 2017

### Principals Message

Tena koutou katoa, nga mihi nui kia koutou katoa.  
Greetings Parents, Whanau and Community Members.

#### Holidays/ Non Contact time

Hard to believe another term has come and gone. We hope you and your children have a good and healthy time over the non contact time. I don't refer to them as holidays as they are not a 'holiday' from learning but rather, a time of non contact with their classroom teachers. The reality is that students are learning every day in and out of school time. With this in mind, please do suggest your children do a few things over the break that they don't usually have time for. Perhaps they might learn how to cook tea for the whanau, make up a game for the whanau to play together, do a few jobs around home, write the shopping list, work out the cost of groceries by using the countdown online or the mailers in the post etc. If you can read with or to your children every day over the holidays and insist they do some reading by themselves, that will certainly also help. Next term will start on Monday 24 July and we look forward to seeing you all back:)

#### Junior and Senior School Production

I have had lots of positive feedback about the production last week. I don't think it was necessarily the most polished performance we have produced over the years but its was by far the most successful in terms of student learning! The students were involved with every part of it from creating backgrounds to writing the script and everything inbetween. Congratulations to all our students who participated and worked so hard to produce something so awesome. Jill Walker from the Travelling Tuataras, who worked with all the children prior to the production night, was just thrilled with how the evening turned out. She described it as:

*"a totally magnificent evening. It was such a delicious treat for all the senses- and so great that so many people came to brave the night and experience that magic of these wonderful performance spaces in the dark with the kaleidoscope of lanterns - and the performances too - the tamariki will remember it forever .*

*What a totally special way to process and learn the local stories - pure magic in every sense of the word - again thank you".*

#### Middle School sharing the learning

Tonight the middle school have their sharing the learning evening where the students will share some of what they have been learning. It starts at 5.30 ish and will be finished by 7pm. We look forward to seeing many of you here.

#### Waiowhoro Stream

This Saturday from 9am we will be cleaning up the stream banks and removing some of the unwanted plant species if anyone is available to come and help. We will meet at the farm bridge opposite the school and probably finish by lunchtime.

#### Road Safety

Just another reminder to ensure your children know the safe crossing rules and stick to them. Likewise, a few parents this week have demonstrated what could only be politely called 'interesting' driving and parking maneuvers'. Please keep EVERYONE's safety in mind, not just your child's.

#### Police vetting

FINAL REMINDER that police checks have been free for us in the past but as of the 1 July 2017 we will need to pay \$9.80 per request. Given that we do the checks every 2-3 years, this means if we were to police check a third of our school whanau each year, that is an extra \$1400 a year we need to find! We have no intention of passing this extra cost on to our community but would really appreciate anyone not checked this year getting a new form in in the next few weeks so we won't need to do them again for 2-3 years:).

#### Reminders:

1. Please ensure your child attends school each day they are well enough to be here.
2. Uniform- please ensure your child has the correct school uniform each day.
3. Next BOT meeting Thursday 27 July 6.30pm in the staffroom.

Have a great couple of weeks!

Regards

Andrew Sinclair.

## TERM EVENTS

|           |  |
|-----------|--|
| 6 July    | Cake Stall                             |

## SCHOOL FEES

Our yearly school fees are a \$40 Activity/ Resource fee and a \$30 school donation. The Activity/ Resource Fee is the only compulsory fee that our school charges. This equates to **less than \$1 per week** that the child is at school. Please see Janine in the office if you have a query regarding your account.

Our bank account number is 03 0415 0446573 00

**Please also ensure that all sports fees, camps and class trips are paid up to date. Thanks**
