Principal's Message

Tena koutou katoa, nga mihi nui kia koutou katoa.
Greetings Parents, Whanau and Community Members.

A busy term ahead

Welcome back whanau! We hope you had a great break time with your children and got to do a few 'extra' bits and pieces. The snow fall in the first week created a bit of a buzz around Rotorua and it was great to hear that so many kids got out to have a play. It has been wonderful to see so many happy students keen to get stuck into their learning this week. Kaimanga Reo are in full swing preparing for their production in week 3. Tama Toa are participating in a 'wero' (a challenge) today and they plan to celebrate with a hangi they have put down on the field and a sleep-over at school tonight. So many exciting things are planned again for this term over and above the great learning happening in the classrooms. In the last week of term all Year 4-6 students received their interim report. If you have any questions or queries about any aspect of these reports, your child's progress or any other matter, please come and discuss these with the teachers as soon as possible.

Reporting to parents hui

On Wednesday 9th August at 6.30pm we will have the second opportunity to consult with our community about

our reporting practices and the written report formats. If you are available and would like to share your ideas, please do come along.

School Jerseys missing their owners!

We have a lot of school jerseys that are currently hanging out together, cold and alone in the school piazza. Most are named, yet their owners are reluctant to reunite with them. If you suspect your child's jersey may be one of these homeless jerseys, then pop into the school piazza to reclaim them. Everybody loves a happy reunion with a warm jersey!

Waiowhiro Stream

We had our first 'hands on' working bee over the holidays to remove a few small trees etc and we have now marked the trees we think need removing ready for planting natives in spring or autumn. The next meeting is likely to be next week but we will keep you posted.

Hall

Thanks to Darin Fenwick, we are making great progress with the hall plans and are nearly ready to send the plans to council for consent. This will then allow us to get estimates/ tenders for the work and then to apply to the Ministry for us to build.

Reminders:

1. Please ensure your child attends school each day they are well enough to be here.
2. Uniform- please ensure your child has the correct school uniform each day.
3. BOT meeting tonight 6.30pm in the staffroom.

Have a great week.

Regards

Nicky King
