Welcome to our Newsletter brought to you by Whiria te Ako (Sp 15-17)

We have two new members of WTA in our class for the next two weeks. This gives tamariki the opportunity to experience the lifecycle in action and to have responsibility for the lambs well-being.

# SHARING OUR LEARNING - WHIRIA TE AKO

Designing a puppet theatre and show, WTA students worked collaboratively drawing on their creative art skills and story telling. We then used our ICT skills to record our shows as an iMovie to share and enjoy.

# Displaying 'participating and contributing', we worked collaboratively using critical thinking to make newspaper forts.

This was a great activity to extend our thinking having been learning about 2D and 3D shapes! To add to the challenge, we had to fit as many bodies inside as possible and the structure had to be sturdy enough to hold a flannelette sheet.

Whiria te Ako thrive on hands on learning, team work, problem solving always keeping the Key Competencies at the forefront of our programme.
