

Kawaha Point School Attendance Management Plan **and supporting STAR procedures.**

Strategic Priorities

Regular school attendance is vital for the success and wellbeing of our tamariki. Attending school every day supports our tamariki to build strong foundations for their learning and social development. Regular attendance also promotes achievement success as tamariki are able to consistently build on their learning.

Our government has set a national target of 80% of students attending school at least 90% of the time. This means that tamariki should be absent for **no more than one day a fortnight** to ensure that they can have continued success at school.

Our school currently has 39% regular attendance and a target of lifting regular attendance to 45% by the end of 2026.
